

### Illegal/unauthorised Activity Policy

The measures outlined in this policy are designed to prevent and stop illegal or unauthorised use of the Management Unit.

Type of activity	Method of identification	Risk mitigation
<i>e.g. Poaching, unauthorised harvesting of NTFP's, motor cycling, off-road driving,</i>	<i>e.g. remote surveillance, third party notification, visual inspection</i>	<i>e.g. challenging users, erecting barriers, installation of surveillance systems, contact with local groups/authorities</i>
