Dear

As the forest owner/Group Manager, and in accordance with your permitted use of the forest for hunting/deer culling activities, I/we hereby inform you that we request your cooperation in following best practice to assist our forest management in accordance with Forest Certification requirements. Supported by the documents listed below which must be/have been submitted.

I would be grateful if you could notify/inform me/us of any planned dates for shooting/culling, so that we could make appropriate arrangements to put up safety notices for the public.

Asforest is managed for forest certification, I/we would like to draw your attention to ensuring safeguards are maintained for rare, threatened and endangered species and their habitats (e.g., nesting and feeding areas). Conservation zones and protection areas shall be adhered to as indicated by the owner/forest manager.

Inappropriate hunting, fishing, trapping and collecting will not be tolerated and may be reported to the relevant authority.

Yours Sincerely,
